Mitigating the Impact of Wildland Fires in Franklin County

This "Wildland Urban Interface Fire Mitigation Plan" has been developed and reviewed by the Franklin County Wildland Fire Mitigation Planning Group. Adoption of this plan by the Franklin County Commissioners does not obligate the county to expend any funds or amend any ordinances without the required public involvement process.

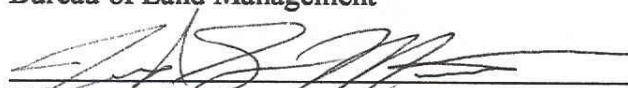

Commissioner Paul Campbell, Chair

Commissioner Alan Carter

Commissioner Craig Thomas

Fire Chief

Fire Marshall

Acknowledgement

The Franklin County Wildfire Mitigation Planning Group who authored this report consisted of:

- Alan Carter, County Commissioner
- Kim Crockett, Commissioner - Chairman, Franklin County Fire District
- Warren Wilde, Franklin County Emergency Services
- Michael Lower, Fire Chief, Franklin County Fire District
- Scott Martin, Fire Marshall, Franklin County Fire District
- Darrell Wilburn, Consultant

Other members of the Planning Group were:

- Kevin Conran, BLM
- Lance R. Brady, BLM
- Elliot Larsen, County Clerk
- Don Beckstead, County Sheriff
- Jared Mattson, USFS
- Lance Robers, Fish & Wildlife Service

We also acknowledge gratitude to the author's of Kootenai County, Power County, & Teton County Wildfire Mitigation Plans for providing guidance through their report's finding, formatting, and inspiration, which we have proudly incorporated were appropriate. Their combined reports show that all counties are in similar circumstances with wildland urban interfaces, each counties needs are similar and each counties is unique in its own respects.

Finally, we what to acknowledge the efforts of the BLM's Prevention and Education section without who's help none of these reports would not have been possible.
